# THERMBOND COMPRESSIVE STRENGTH

**Thermbond...solutions through unique refractory technology**

**IT'S ABOUT TIME... WHEN TIME IS MONEY THERMBOND KEEPS YOU IN PRODUCTION**

**Thermbond's high early strength allows castings to return to service...faster.**

Thermbond reached superior compressive strength within an hour of casting. By comparison, conventional refractories and low moisture/low cement castables have no measurable strength in this time frame.

**It's Thermbond...for faster return to productivity.**

## STRENGTH & ABRASION

### INDUSTRIES SERVED

- ☞ Refining
- ☞ Non-Ferrous
- ☞ Zinc
- ☞ Precast Manufacturing
- ☞ Rock Products
- ☞ Die-Casting
- ☞ Boiler Manufacturing
- ☞ Mineral Processing
- ☞ Chemical
- ☞ Power Generation
- ☞ Primary Aluminum
- ☞ O.E.M. Furnace Builders
- ☞ Steel
- ☞ Incineration
- ☞ Secondary Aluminum
- ☞ Cremation
